Terms & Conditions

**Black Friday
\$120 off 12
months on
unlimited
100/20 nbn
plans and
above terms
and conditions**

Aussie Broadband are offering a promotion to eligible new nbn™ customers for 100/20 nbn plans and above. Terms and Conditions of this promotion include:

- The promotion applies to new Aussie Broadband nbn™ customers*.
- To receive the offer on new nbn service orders, customers need to use the promo code “BF10”
- Offer available to new nbn customers for any unlimited nbn plan from 100/20 and above, Family nbn plan – Power House nbn (Inclusive).
- Excludes business nbn 500/200 and 1000/400 speed tiers.
- The promotional period commences on 21/11/2022 and ends at 5pm AEDT on 12/12/2022.
- The promotion cannot be redeemed outside of the promotional period.
- The promotion cannot be applied retrospectively.
- A promotional discount can be used in conjunction with other Black Friday promotional offers (BFFREE, \$30 off Netcomm) but cannot be used in conjunction with any other promotion or offer.
- The promotional discount cannot be transferred to another service, person, or party.
- The promotional discount cannot be redeemed for cash.
- The promotional discount cannot be used to purchase hardware.
- Discounts will be applied automatically to customer bills for the relevant period once the service is activated.
- The promo code needs to be applied at the time of sale.
- The promotional discount is based on the plan that you have chosen (Family nbn™ = \$10 discount every month for first 12 months, for example) and will expire immediately if the plan is changed to a non-supported plan within the first month that the service is activated.
- Customers currently on Financial Hardship arrangements are not eligible for

this promotion.

- Aussie Broadband reserves the right, in our sole discretion, to remove your access to this program if you breach our fair and acceptable use policy, or we have otherwise formed the view that you are scamming this program.
- Services not ordered within the promotional period (21/11/2022 to 12/12/2022) will not be eligible to receive promotional discount
- A \$99 one-off connection fee applies to Opticomm services.

**A 'new customer' is defined as an individual who has not had an active broadband service with Aussie Broadband in the last six months or hasn't been an authorised contact, residing at the same address as the primary contact, on an active broadband service with Aussie Broadband in the last six months.*

**Black Friday
First Month
Free 4G mobile
terms and
conditions**

Aussie Broadband are offering a promotion to eligible new mobile customers for First Month Free on all 4G mobile plans. Terms and Conditions of this promotion include:

- The promotion applies to new Aussie Broadband customers and current customers when ordering a new mobile service.
- To receive the offer on new mobile service orders, customers need to use the promo code "BFFREE"
- Offer available for any mobile 4G plan.
- The promotional period commences on 21/11/2022 and ends at 5pm on 12/12/2022.
- Aussie Broadband reserves the right to cancel or change the promotional period.
- The promotion cannot be redeemed outside of the promotional period.
- The promotion cannot be applied retrospectively.
- A promotional discount can be used in conjunction with other Black Friday promotional offers (BF10, \$30 off Netcomm) but cannot be used in conjunction with any other promotion or offer.
- The promotional discount cannot be transferred to another service, person, or party.
- The promotional discount cannot be redeemed for cash.
- The promotional discount cannot be used to purchase hardware.
- The promotion is for mobile plans not mobile devices.
- Supported plans include the 4G voice & data and data only plan only.
- Discounts will be applied automatically to customer bills for the relevant period once the SIM card is activated.
- The promo code needs to be applied at the time of sale.
- The promotional discount is based on the plan that you have chosen (4G Voice Bundled 30GB plan = \$0 charge for first payment month, for example) and will expire immediately if the plan is changed to a non-supported plan within the first month that the SIM card is active.
- SIMs must be activated within 60 days of delivery. Failure to do so will result in the application being cancelled and the SIM card being no longer valid.
- Customers should refer to general terms and conditions for specific products and services.
- Customers currently on Financial Hardship arrangements are not eligible for this promotion.

- Aussie Broadband reserves the right, in our sole discretion, to remove your access to this program if you breach our fair and acceptable use policy, or we have otherwise formed the view that you are scamming this program.
- SIMs not ordered within the promotional period (22/11/2022 to 12/12/2022) will not be eligible to receive the one month free offer.

**A new mobile customer is defined as an individual who signs up for an active mobile service with Aussie Broadband at the time the offer is applied..*
