

## Grassroots community sponsorship guidelines

---

### Who we will consider sponsoring

To support our goal of making our communities better, Aussie Broadband will consider sponsorship requests from:

- registered charitable or not-for-profit organisation, or
- individuals fundraising for registered not-for-profit groups

We do not sponsor:

- commercial organisations
  - any organisation which may pass sponsorship onto a third party
  - any organisation that does not align with our company values
  - any organisation or event that could be construed as discriminatory or hazardous to public health or safety
- 

### Types of grassroots community sponsorships

Aussie Broadband offers:

**Internet connections** - subsidized base level internet connections for not-for-profit premises.

**Sponsorships** – Small cash grants to community groups, charities, appeals and events; staff and individuals involved in charitable events or extraordinary not-for-profit personal endeavours. Aussie has a limited budget for larger cash sponsorships; we recommend you contact us to discuss first before submitting an application.

**Community Partnerships Program** - similar to our refer-a-friend program, with cash back for the referring community group (more details on our website)

Conditions of all sponsorships include:

- Group or individual must provide acknowledgement of Aussie's donation
  - All sponsorships are on an annual basis only, subject to review
- 

### How to apply

All applications should be submitted via Aussie Broadband's website forms
