Information about the service

What is the service?

Aussie Broadband’s mobile phone service is a “SIM-only” service for use with existing mobile phone handsets.

Where is it available?

The 5G rollout is ongoing and is not available in all areas, please see the coverage map to see if it is available in your area. Where 5G is not available, 3G & 4G is available with a 4G footprint coverage of 98% and a combined 4G & 3G coverage footprint of 98.5%. The link to the 5G coverage map is available here

<https://www.aussiebroadband.com.au/phone/mobile>

What do I need to access the service?

You will need an unlocked mobile phone handset that can access the 5G network.

You can either request a new phone number with this service, or port across an active number from another carrier.

What is included?

Features of this service include all calls, SMS and MMS (multi-media messages) to mobile or fixed phones within Australia, voicemail and calls to 13, 1300 and 1800 numbers, plus the 20GB plan has \$50 IDD credit, the 80GB plan has \$200 IDD credit and the 200GB & 240GB plans have \$500 IDD credit).

What is not included?

Data sharing is not available on this plan.

Do I have to bundle anything with the service?

No, you do not have to bundle anything with this service

Minimum term of the service

Minimum term of this service is one month – this is a month-to-month service. If you wish to change plans, your change will be queued to your monthly anniversary date of switch-on.

Qualifications

Please note that this service may be restricted and/or cancelled if:

- You fail to pay your bill.
- You are abusive to our staff,
- You breach our terms and conditions or our fair use policy, available at [aussiebroadband.com.au/legal](https://www.aussiebroadband.com.au/legal).

Aussie Broadband does not provide access to Premium call services such as 1900 numbers. In Australia, data usage will stop working on your phone once you hit your limit. Top-ups are available via the MyAussie portal or app. For international data usage see “international roaming”.

The Communications Alliance Broadband Education Package can be found at <https://www.commsalliance.com.au/BEP>

Other information

Call and usage information

You can check your usage via the [MyAussie](#) portal, which is also available as a free app via Apple or Android. You will also receive notifications by SMS to your device when you hit 50%, 80% and 100% usage.

International roaming

International roaming is disabled by default and can be turned on by contacting us. Once enabled, it will automatically activate when entering 58 selected countries (even in airplane mode). A full list of these countries and their rates is available at

<https://www.aussiebroadband.com.au/phone/mobile/>

In summary, cost is:

- Non-travel pack – relevant PAYG rates for the country you are in.

Customer service

We have an all Australian-based team who can help you with any technical support, account or sales questions. Just give us a call on 1300 880 905, or lodge a fault via [MyAussie](#). Our support hours are constantly expanding — check our website for our current hours.

Complaints

If you are not happy with your service, you can follow our dispute resolution process. For more details, see <https://www.aussiebroadband.com.au/lodge-a-complaint/>.

Ombudsman

If you are still not happy with the outcome of your complaint after following our dispute resolution process, you can contact the Telecommunications Industry Ombudsman (TIO for independent mediation). The TIO can be contacted by calling 1800 062 058 or visiting the TIO website at tio.com.au/making-a-complaint.
